

## VoteBuilder Database Access Agreement for Local Party Officers

1. I understand data provided by the Washington State Democrats (State Party) shall only be used for local party political purposes and not be used for campaign or commercial purposes.
2. I understand access to data is provided at the sole discretion of the State Party Chair. In this process Local Party Chairs shall be authorized to manage accounts for their jurisdiction as they see fit unless otherwise directed by the State Party Chair. The State Party reserves the right to change or revoke my ability to access VoteBuilder at any time, with or without notice. I understand my access will be revoked in the event of a security breach. I agree to comply with all policies that may be adopted by the State Party regarding data access.
3. I understand all data I will receive through VoteBuilder is State Party proprietary data that can only be used for purposes authorized by the State Party. I pledge to comply with any direction from the State Party regarding data obtained from the State Party. I will not share the data obtained from the State Party, or any list or sample of the data, with any other person or entity without prior approval from the State Party or authorized designee.
4. I agree to update all information received from voters on lists produced by data provided through VoteBuilder. This information shall include any and all voter contact information, modifications to individual phone numbers, bad addresses, e-mail addresses, and lists of deceased voters. All information entered in VoteBuilder will be owned by the State Party and accessible to the local party organization listed below.
5. I certify that I have been duly elected or appointed as a local party officer and / or Precinct Committee Officer or PCO designee for the Precinct(s) listed below. I understand that by signing this form I am entering into a confidentiality agreement with both the Washington State Democrats and the Third Legislative District Democrats.
